HOUSE REPUBLICAN STAFF ANALYSIS

Bill: House File 698
Committee: Appropriations
Date: July 19, 2011
Staff: Lon Anderson

Temporary Appropriations Bill

House File 698 appropriates moneys for the period beginning July 1, 2011, and ending July 31, 2011, to entities identified as in receipt of appropriations for the 2010-2011 or 2011-2012 fiscal year.

Section-by-Section Analysis

Section 1. Continuing Appropriations. This section appropriates an amount equal to 1/12 of the line items in the enrolled budget bills. (Bills approved by both chambers in the same form.)

Section 2. Limited Standings and Continuing Appropriations. Carries forward all limitations on standing unlimited appropriations so that spending doesn't increase automatically after the new fiscal year begins. This also would authorize appropriations for line items in bills that were not yet enrolled until July 31. This act does not apply to funding for infrastructure projects (meaning funds previously appropriated would still be authorized).

Section 3. Effective Date. Makes the bill effective July 1 regardless of when it is signed.

Section 4. Corrective Change. Makes a technical change to the Education budget bill.

The Governor signed HF 698 on June 30, 2011.
